

Nuacht na Scoile & School Updates

Hello there. Please read below for some updated school news

- **Air Purifiers:**

Air purifiers with Hepa Filters have been installed in each classroom in the school.

- **Playground/Monkey Bars:**

A playground has been installed at the back of the school. Browne Brothers carried out the installation. It is very impressive and a great addition to the school. Junior classes (Infants to 2nd) will use the playground and the older children can have use of Monkey Bars installed in the Sensory Garden. A policy will be drawn up for their usage.

- **Heritage in School Project:**

Many projects were created and constructed, researched and presented in the month of December by 5th class. They have subsequently been submitted to the Heritage in Schools competition run so successfully by Kieran Mc Carthy. Well done to the prize winners who attended a prize giving session in the Life Time Lab recently. Well done to all of the 5th class participants also. Great local history work!

- **Sacraments:**

6th Class will make their Confirmation on the 8th of April.

Service of Light: Thursday Feb' 17th.

The First Communion masses will take place on May 21st.

1st Confessions: March 10th in school.

- **Sciath na Scol:**

It is very much hoped that hurling and camogie competitions will be held later this year. More guidance is due on this shortly.

- **Extra Day School Closure:**

The school will be closed on June 7th. This is due to the recent announcement of March 18th being a National Bank Holiday this year. The school had already included the 18th as a day of school closure so we have moved it now to June 7th.

Please check out the Google Calendar on this website and the School Twitter (@scoilnaomhiosaf) for further school updates and news!
